# Dedication

## *Dr. Wilford P. Musgrave*

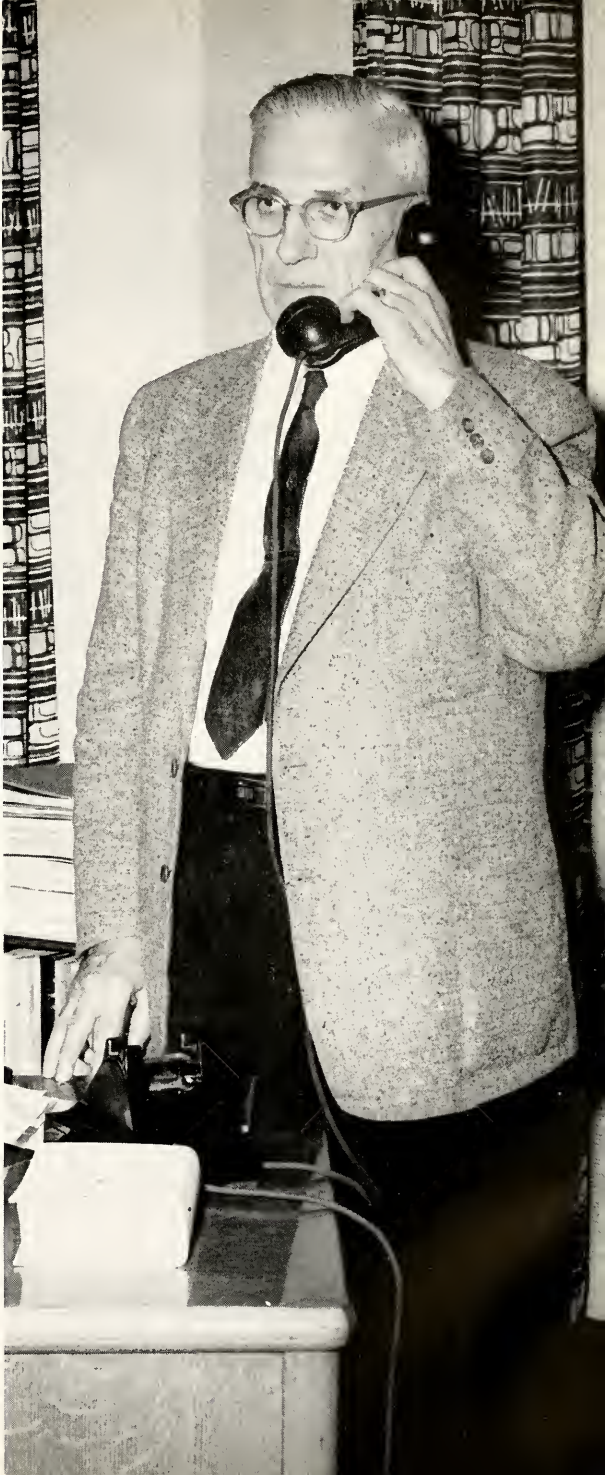
Dr. Musgrave was graduated from Huntington College in 1928 with an A.B. degree. He received his A. M. at Indiana University and his Ph.D. at Pennsylvania State College (L'institut d'Education Francaise). In the summer of 1940, he did research in education at Indiana University. He received a certificate in graduate studies at the University of Geneva, Switzerland, in the summer of 1952. He has advanced this work by attending the N.C.A. Workshop at the University of Minnesota in the summer of 1946 and 1947.

Dr. Musgrave has served as Associate Dean and Dean of the College since 1945, and Director of Institutional Research on the N. C. A. Study of the Liberal Arts Education since 1945. Under his direction a number of research studies have been carried out prior to the present Institutional Self Studies, in anticipation of regional accreditation in the North Central Association. His devotion to this great task commands the respect of the supporting denomination, as well as the student body and alumni.

Dean Musgrave's high Christian principles are a true inspiration to all with whom he comes in contact at Dean of the College, and the high academic standards of Huntington College are a reflection of Dr. Musgrave's leadership. We, therefore, the Mnemosyne staff of '56 dedicate this yearbook to the Dean of our College, Dr. Musgrave.

*Dr. Elmer Becker*

# *President*



Dr. Elmer Becker, president of Huntington College, devotes much time and interest in performing the duties of administering a Christian College. Along with his many duties at the college, he makes appearances during the year among the churches of our denomination.

Dr. Becker is an alumnus of Huntington College as a graduate of the class of 1923. He has served as President of this college since 1941.

His leadership ability and his religious convictions are an admirable example to the student body and faculty.

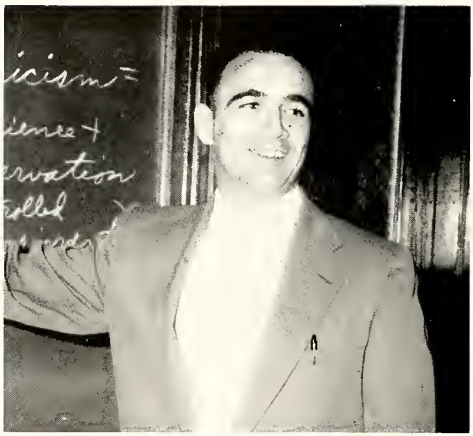
# Who's Who

Barbara Mull
Dewey Farris
Paul Hammel



This year's faculty and senior class selected Barbara Mull, Emlenton, Pennsylvania; Dewey Farris, Jerome, Pennsylvania and Paul Hammel, Huntington, to represent Huntington College in the publication *WHO'S WHO AMONG STUDENTS IN AMERICAN COLLEGES AND UNIVERSITIES*. These students were chosen on the basis of scholarship, leadership and cooperation in extra-curricular activities, citizenship, and their service to the school.

The more important extra-curricular activities in which these students were engaged were Barbara Mull's editorship of the Huntingtonian (1954-'55), Dewey Farris' serving as president of his class for two years and Paul Hammel's presidency of the 1956 Student Council.

Four years seem like a comparatively short time, when we think back to the day when we enrolled as students for the first time at Huntington College.

It wasn't long until each of us was topped by the traditional beanie, and then class projects were discussed—anticipating the need for funds from which to draw later on.

Many activities, apart from studying which the professors took for granted, filled in our short days, weeks and years. We will not forget our Memorial Day picnic in the spring at Bluffton State Park.

September came again, bringing back our class as sophomores—one milestone passed on our road to graduation.

Again the seasons passed by and we had gained the half-way mark. Our Junior year brought added responsibilities. We became more conscious of our education, and our class financial affairs. Election of new class officers, class rings, the hay-ride, and the Ham Supper were all to be considered. Then the Junior-Senior Reception and finally preparations for the graduation of the Senior Class, came into the limelight. An American Beauty Rose, the Graduating Class' Flower was presented to each graduate during the ceremony.

We returned once again in September to find the open doors of our College welcoming us back. Marvin Price as president, Dewey Farris as vice-president, Muriel Rodgers as secretary, and Annabel Reed as treasurer held our class offices for this, our last year. The skating party in the fall and then the plays in the spring were the main class-sponsored activities of the year.

As we neared the end of our Huntington College careers, we thought with a note of remorse of leaving Dear Old H.C. We have been here, to grow spiritually as well as intellectually and if we have accomplished these, we feel that the four short years have been profitably spent, and that the memories will forever hold a vital place in Life's diary for each of us.

# Seminary

Eleven men are enrolled in the Theological Seminary of Huntington College, working toward their Bachelor of Divinity degrees. This degree is three years of course work beyond the four-year college Bachelor of Arts degree. The group organized in the spring of '55, choosing Leroy Sharp, Earl Peters, and Burton Lange to be their president, vice president, and secretary-treasurer respectively.

This group sponsored the second annual Campus Seminary Day in April. On this day a man who is noted in a field of study of interest to the Seminary is brought to the campus to speak on that subject. Also this group sponsored in February a Sunday of Seminary emphasis in the United Brethren Churches.

Besides the B.D., the Seminary offers a five year Bachelor of Theology degree and a Three Year Bible Diploma.

# Juniors

Robert Meese, Robert Baker, Carol Becker, Dorothy Betterly

The Junior Class began its third year at Huntington College with a few faces missing from the previous year. Bob Baker was re-elected president for the second consecutive year; Carol Becker, vice-president; Dorothy Betterly, secretary, and Don Dennie, treasurer. Mr. Robert Paine was chosen to be the class advisor.

Amid freezing rain three wagon loads of students and faculty members of Huntington College started on the Annual Hayrack Ride sponsored by the Junior Class. Mr. and Mrs. Marvin Price, seniors, reigned as king and queen. At the Rethlake farm, bonfires and refreshments were welcomed by all.

A very large group of students, faculty, and people from the community attended the Junior Penny Supper. Following the supper a program was given in the Dining Hall of Wright Memorial Hall. The theme was "Around the World with Word and Song."

The second semester brought more projects for the Junior class. In March, the Juniors sponsored a Ham Supper and Skating Party for money making projects.

Juniors began their responsibilities for the Junior-Senior Reception early in the first semester. As the time grew nearer, the Juniors became busier.

The reception was a huge success and soon the Juniors forgot all the work that had gone into the reception and enjoyed themselves as much as the seniors did. A much needed rest came to the Juniors after the reception. As they return next year, there will be many new activities awaiting them.

# Sophomores

Fred Foushee, Jeanne Grafstrom, Carolyn Huntley, Max Fordyce

It took two out of three times, but the Little, Mighty Sophomore team finally pulled the big, strong Frosh team across that Little Wabash. The Sophomores really enjoyed doing the initiating as the Frosh will enjoy it next year. Look out Frosh of next Fall.

The Sophomore Class repeated itself by electing again as president, Max Fordyce; vice-president, Fred Foushee; secretary Jean Grafstrom, but a new one to the office of chief money changer, Carolyn Huntley. These officers, as well as the enthusiastic class members, work hard readying themselves for their next big battle, that of being a junior.

The Class has sponsored an all school Halloween party which the guys and gals will remember for a long time. They all worked when there was work to be done. The class is in agreement when it comes to giving thanks to its able adviser from the faculty, "Prof" Winter, for his help and encouragement over rough spots of planning and working on projects.

It is their hope to be a great class; one H.C. will not forget.

# Freshmen

Richard Frederick, James Hoffman, Daniel Wolfe, Rosanna Norr

Even before donning our "beloved" beanies we elected officers: Richard Frederick, president; Daniel Wolfe, vice-president; Rosanna Norr, secretary; James Hoffman, treasurer; Walter Zahrt, student council representative; Ray Hemphill, alternate and Janice Blauser, library representative.

Then as a money-making project we sold the Huntington College sweat-shirts and T-shirts which can be seen around campus.

The upper classmen provided ways for us to become acquainted with one another, such as the scavenger hunt and ice cream freeze sponsored by the Student Council, and the Y-Mixer which included our first walk through the ravine.

Those green Freshman beanies (which were red) are gone now; characters portrayed during Initiation day are memories and we are proud to say "We are a part of Huntington College." We belong to a new circle of people and have made lots of new friends; we have learned what it means to study; we have found Christian fellowship; and we have been drawn closer to our God through our very brief college experience thus far at Huntington. We are looking forward to more of these things that Huntington College can give us.

# Activities

# Student Council

The executive and administrative power of the Student Union is vested in the Student Council, which discusses student problems. Each class has representatives and their presidents as members of the Student Council.

Last spring Paul Hammel was elected as president, to carry the responsibilities of the Council. The other officers, elected by the Student Council from its own members are: Roger Carey, vice president; Barbara Mull, secretary, and Frances Lobdell, treasurer. Director of Student Personnel, Webster Muck, Jr., is the advisor.

The Council appoints a Student Lounge Committee which manages the Student Lounge. Dewey Farris was elected manager of the committee. The Student Council sponsored Work Day to complete payment of the Student Lounge.

Twirp Week, sponsored by the Student Council, was again a January feature of the social life of Huntington College.

## Traffic Court

The Traffic Court has had no sessions yet so Judge Annabell Reed has issued no verdicts. Some tickets have been handed out by traffic men, Gene Gibson, Thomas Rethlake, Roger Carey, and Richard Frederick.

The traffic court has been established by the student council in the interest of better driving on campus.

Richard Frederick, Thomas Rethlake, Annabell Reed, Paul Hammel, Roger Carey, Gene Gibson

# Committees

Committees on campus include: Student Affairs, Library, Student Lounge, Religious Life and Service, and Athletics. Their purpose, as a whole, is to co-ordinate activities for the varied program of events carried on throughout the school year.

The faculty members of these committees are delegated by the Administration, according to the Manual of Operations.

Student members of the Athletic committee are appointed by the Student Council. Students on the Student Affairs committee are elected by the classes of which these students are members. Students are members of the Religious Life and Service committee by virtue of offices held in organizations on campus. Other committee members are elected and appointed.

## Y. W. C. A.

The Young Women's Christian Association is one of the most active organizations on Campus. The purpose of the organization is to promote the Christian character of the students of our college.

The Y.W.C.A. enjoyed a successful year under the direction of: Advisor Miss E. Faye Connor; President Frances Lobdell; Vice-President Norma Gage; Secretary Jean Grafstrom and Treasurer Mary Catey.

The monthly meetings were set up under the general theme "The Consecrated Girl." The topics such as: Take My Life, Take My Hands, Take My Moments and My Days, Take My Heart and Take My Voice were suggested by the verses of our theme song "Take My Life and Let it Be Consecrated Lord to Thee." These topics were handled by either guest speakers or by members of the organization.

The Y.W.C.A. and the Y.M.C.A. jointly sponsored the "Y" Mixer, The Thanksgiving Banquet and the "Y" Retreat. Other activities which the organization sponsors are the Big and Little Sister parties and the May Tea at which time the newly-elected officers for the following year are installed.

## Y. M. C. A.

The Young Men's Christian Association has its membership open to all Christian men who are students at Huntington College.

The main activities of the organization are co-sponsored with the Y.W.C.A. These events consist of the Y Mixer, the Thanksgiving Banquet in the fall, and the Y Retreat in the spring.

Officers for the year included: President, Donald Betterly; Vice-president, Carlson Becker; and Secretary-Treasurer, William Couch. Advisor for the year was Norlan C. Henderson, professor of biological sciences.

## Fine Arts

The Fine Arts club is headed by Sarah Wiley, president; Amy Keck, vice-president, and Rita Connor, secretary-treasurer. The major project this year was to supply Davis Hall with new song books.

## Clericus

Clericus is an organization composed of students of any denomination preparing to serve in any fulltime Christian work.

Officers for the year were Burton Lange, president; Clarence Cosey, vice-president; Clarence Cosey, vice-president; Keith Nicholson, secretary, and Frank Mathna, treasurer.

## Campus Players

Campus Players is an organization for those interested in speech and dramatics. The main event of the year is the annual fall production which was this year *Icebound,* by Owen Davis.

Ellen Hendrickson is the president of this organization with Marcus Burkholder, vice-president; Barbara Mull, secretary, and Thelma Reed, treasurer. Carl Zurcher and William Thomas are the co-sponsors.

## Future Teachers

The Pedaxis Chapter—Christian Teachers in Service—is the college chapter of the Future Teachers of America. This organization is open to all students who are entering the field of teaching.

The officers are: Joyce Tipton, president; Max Fordyce, vice-president; Sarah Wiley, secretary-treasurer, and Sarah Biehl, state reporter. Dr. Edward P. Coleson, director of teacher education, is the advisor.

During the month of October several members of Future Teachers of America traveled to Indianapolis to attend the Indiana Future Teachers of America convention.

## Varsity

The Varsity Club is an athletic organization on campus for those men who have won at least one major letter in basketball or baseball or by being a manager.

The organization, under the able leadership of president, Max Thrasher, has worked on different projects throughout the year. They all work hard on the programs that are sold at our home games and also assisted the W.R.A. in selling concessions at those games. They are still working and looking for new projects.

## W. R. A.

One of the most active clubs on campus is the Women's Recreation Association. It combines recreation and Christian living for young women.

The giving of a Christmas basket to a needy family is one of the most significant events of the year. Also selling concessions at the basketball games in connection with the varsity is a highlight. In the spring the annual outing is the climax of events of the year.

June Brown leads this club as president; Margaret Musgrave, vice-president; Carolyn Huntley, secretary; and Thelma Reed, treasurer. Miss Venetta VanHoosen is faculty sponsor.

# *Choir*

The A Capella Choir enjoyed a successful year singing to the glory of God. A number of presentations were made during the year including participation in the school's Christmas program, a chapel program and several numbers during the commencement activities. The choir also was a part of the community chorus which presented Handel's Messiah at the Huntington Community Gymnasium.

The officers elected to care for matters of business were: Marcus Burkholder, president; and Carlson Becker, vice-president; Lois Bender took over the duties of secretary-treasurer after the resignation of Mary Lou Householder, Wayne Smith was chaplain, Howard Anderson and Eva Nell Rash, roberians, and Kathryn Smith, librarian.

Prior to the spring tour, a retreat took place at Camp Mack for special spiritual preparation and practice. The tour took the choir through Ohio, Ontario Canada, southern Michigan and northern Indiana.

# Gospel Volunteers

This year, as in years past, the Gospel Volunteers has given to the school and community a wonderful manifestation of Christ in the lives of young people. The daily noon day prayer meetings have given real inspiration and direction to the students in the school work and witnessing. The students take their turns in leading the prayer meeting, and thus gain experience in speaking for Christ.

The organization not only serves through prayer, but through service in song and word. It has presented salvation to many souls at the services in the county jail. It is the prayer of Gospel Volunteers that Christ will be emphasized every day on our campus.

*Noon Prayer Meeting*

## *Sylvan Four*

Marcus Burkholder, Fred Foushee,
Harold Fero, Carlson Becker

The Sylvan Four, the official Huntington College male quartet, made an extended tour of approximately 14,000 miles of Mid-West and Western States during the summer months, including a part of June, and July, August and a part of September.

This quartet was composed of Fred Foushee, first tenor; Marcus Burkholder, second tenor; Harold Fero, baritone and Carlson Becker, bass.

Sacred concerts were presented at approximately 50 different places, which included churches and a number of church camps, where the quartet sang on several consecutive nights.

The members of the quartet were capable and consecrated servants in presenting the Gospel in song.

# Christian Emphasis Week

"Who But Jesus . . . He Is All" was the theme of Christian Life Emphasis Week, which is a vital part of the lives of Huntington College students, and a week of services not easily forgotten by those who attend.

Dr. S. A. Witmer, president of Fort Wayne Bible College, Fort Wayne, was the speaker for the series of meetings emphasizing the Christian Life.

The morning messages in the assembly periods were brought by the speaker of the week. Each evening, Monday through the following Sunday, services were held in Davis Auditorium.

On Sunday morning, Dr. Witmer delivered the message at College Park Church. In the afternoon, the Communion service, held in Davis Auditorium, served as a consecration and dedication to a renewed life, realized by many during the week.

Many friends visited the College during the week-end of Christian Life Emphasis Week to join in and share the blessings of the services.

# Weddings

Huntington College is known to some as the "match factory," and the beautiful summer of 1955 was no exception.

The month of July brought three weddings. Hal and Carolyn, from Indiana and Michigan, had a lovely wedding in Michigan, also Don and Barbara were married in Ontario, Canada, while Don and Gloria, from Michigan and Ohio, had their wedding in Ohio.

In the month of August two couples were married: Jim and Joyce from Michigan, and Vern and Darlene from California and Minnesota.

The first week of September brought another wedding to Michigan where Marvin and Grace Ann, from California and Michigan, were married.

# Basketball 1955-56

Paul Hammel, Gene Gibson, Leroy Stephens, Phillip Fiedler, Tom Rethlake, Coach Klopfenstein, Ray Hemphill, Don Stephens, Terry Hippensteel, Dick Frederick, Jim Wiley

The Huntington College Foresters, the second best offensive collegiate team in indiana with a 90.4 points average per game, raced to a fifteen won, seven lost mark for its best season in many a year. The Foresters were paced by two seniors and two sophomores. Senior, Paul Hammel broke Maurice Reed's one year record of 376 points by scoring 402 in twenty-two games to become second highest scorer in Forester history, Hammel has an 18.2 average per game. Senior, Gene Gibson scored 320 points in twenty-two games to a 14.5 average per game and was the second leading rebounder on the team. Jim Wiley, 5'7" sophomore also came up with a good year with 284 points for a 12.9 average per game and headed the "fast break." Sophomores, Leroy and Don Stephens along with freshman Ray Hemphill alternated the fifth position and were also instrumental in the Forester success.

It is hard to describe in words the all around brilliant playing of 6'5" center, Tom Rethlake. As a freshman Tom averaged 18.6 points per game and led the team in rebounding. In his sophomore year, Tom not only led the team in rebounds but also captured the Indiana collegiate scoring title with a 25.7 average per game and was tenth in the nation in scoring among small colleges. Tom also holds the one year scoring title for Huntington College with 565 points in one season, the single game record of forty-three points against Marion College. With two more years of eligibility left, Rethlake is destined to become the greatest scorer in Forester history.

The Forester's ranked tenth in the nation in team offense and eleventh in fieldgoal percentage. Some of our most exciting games were the 101-97 victory over Manchester and our 101-95 overtime victory from Rose Poly, also a thrilling 95-93 last second loss to a good Rio Grande team. Seniors, Paul Hammel and Gene Gibson were elected honorary co-captains for the 1955-56 season.

With only two members parting from this year's squad, the Foresters' outlook for next year should be a bright one.

All in all, the fans and players both can be proud of this year's Forester Squad.

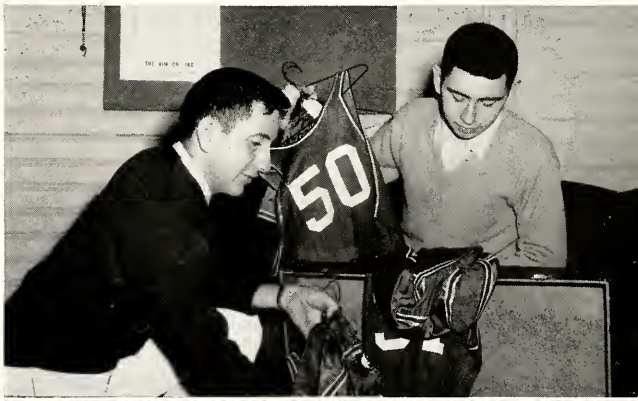
## Rethlake No 1 Collegiate Scorer in Indiana

## Coach

Coach Richard Klopfenstein, well liked by all who have him as a professor and all who have seen him lead our Foresters to their greatest season in the three years he has been at H.C., is really an ardent worker for the principles behind our College. As Director of the Physical Education Department, "Coach," as he is popularly called, is helping turn out future coaches and athletic directors with high ideals and standards.

## Managers

Managers, Roger Carey and "Willie" Landrigan have quite a time keeping the Foresters well supplied with both towels and spirit.



## Cheerleaders

The Cheerleaders, Mary Lou Householder, Walt Zahrt, and Rosanna Norr, really got the cheering section behind the team this year. With new and different yells they gave color to all the games. The students and the team appreciated their pep and energy which helped pull our team to a great year.

# Baseball

"Weak hitting" earmarked the Forester baseball team for the 1954-55 season and was the big factor for our two won and seven lost record. Freshman pitcher, Tom Rethlake was credited with both victories. Marvin Price was elected honorary captain for the season and also led the team in hitting with a .300 mark. With only three seniors departing from the squad, the Foresters will be seeking to improve their season for next year.

# Student Lounge

The Student Lounge is a popular gathering place for students and faculty of H. C. throughout the day. This year it is being run under the student management of Dewey Farris and a special committee. Those who work in the snack bar, as pictured above, are: Kathryn Smith, Nellie Graham, Mrs. Keith Nicholson, and Eva Nell Rash. This is our first year in the lounge and we all think it is grand.

# FLOORS ARE PROBLEMS
## ...everywhere!

That's why it pays to let Huntington specialists help solve *your* floor maintenance problems. There's a tried and proved Huntington product for nearly every floor finishing and cleaning requirement. And for the exception, there is a willingness on the part of Huntington Laboratories to develop the special product you need to get the job done correctly, at low cost.

The result is longer wearing finishes and greater protection for your floors... faster application and reduced labor costs.
